Holiday Houses Paynesville and Raymond Island

There is a good range of Holiday house accommodation nearby but vacancies during this period will be limited. Raymond island is connected to the mainland with a ferry departing every 20 minutes. The Ferry terminal is a 2min walk from the Yacht Club. Ferry is free for pedestrians and \$13 return for vehicles. There would be no need to take your car each day. For those looking for something different, staying on Raymond Island is quite possible. Much of the island is a nature reserve with a large Koala population. It is a beautiful quiet location so don't expect a lot in the way of amenities or action.
